Mark,

Unfortunately, the time has come for me to ask that I be replaced as a member of the Information Superhighway Task Force. I have relocated to Benicia, CA and do not feel that it would be appropriate for me to remain as a member. I would like to continue to contribute whenever and however I can, so please feel free to contact me if there is something I could assist with.

We have made some good progress, and while I would have liked to have accomplished more, I think we have done an admirable job it getting this project and technology center stage for the City.

Please stay in touch.

Sincerely,

John Forberg
